In connection with the application made by Allen & Pond for the detail of James M. Lockard of Co. the Army Beef to assist them in carrying out their contract for furnishing Beef to the army. I desire to state to Hon Secretary what I know of the services performed by them & P. for the families of soldiers and the poor in this vicinity

About the middle of June last the butchers in the market here put up the price of Beef to fifty cents. whereby the poorer class of were excluded from the market pretty much. this gave rise to a movement by the County Court and the City authorities to establish a free or cheap market & when Allen & Pond proposed that if the military authorities could be induced to detail to them certain men in the service, to assist them in carrying on their business of furnishing the army and to the families of soldiers and the poor (Certificates to be issued by Capt Longcope or myself) for 8 cts. while to the citizen generally they would sell at not exceeding 20 cts. pr. lb. This arrangement was made — and I can Certify that since that time the poor have complained [illegible] have been made but that from 200 to 300 families have enjoyed the benefit amounting in the aggregate to $800. per day coming to the most needy and deserving people in this vicinity. and should any thing happen to disturb the arrangement now that winter approaches, would certainly lead to great distress: and as a member of the County Court I beg the authorities to interpose to prevent it which can be done by detailing help enough to [illegible] prosecute the business. Capt. Albert. A. Mills

Sir- On the 14th Sept 1863,
I received Orders from your Head Quarters, directing me to proceed to the Ship Yard at the Mouth of Goose Creek, Harris County, and cause the following named workmen belonging to De Bray's Regt, to proceed at once to the Ship Yard at Lynchburg, and there report to Capt Sterrett,- viz ✓F. T. Lunt, ✓R. White, S. Papamon ✓R. May, Ll. Habermehl, & ✓A. McCracken

I proceeded at once to the Mouth of Goose Creek, and found out to my Satisfaction that on the 10th of Sept 1863, the men above named had been employed in bringing shingles to the Mouth of Goose Creek, for the purpose of covering some of Capt Clubbs private Buildings. I immediately presented to Capt Clubb, as the Officer in charge of the Ship Yard at the Creek, my Orders for the men, he told me that they had all been detailed from De Brays Regt. as Sailors for the Gunboat [illegible] on the Mississippi River, and that two of them viz- Lunt & McCracken, were at that present time, on a Gunboat, and that McCracken, had been for some time on account of ill health, been in his service.

I've turned over to mrs. F. T. Lunt, R. White, and T. Passamore. - Lunt is improving very much from a sore hand, and in my opinion will not be able to do service, in several weeks. - T. Passamore, and R. White, I transferred to Mr F. H. Miller, as the Agent of Capt ~~Church~~ Steinitt, and at work on the Government Transport.

I directed Capt Church to order Habermehl, and May, to report at the Ships Guard at Lynchburg.

I respectfully submit to you Captain, the foregoing as my Report.

Very Respectfully

Colonel

I send you a rough sketch of the
local examination and survey, of the pass from
Galveston Island into my Camp, Viz "Carrancawa
Bay" to the main land. Also examining different
points of entrance to the Reef, as spoken upon the point
marked on the initial, where I found a soft mud bottom;
for 15 yards, capable of containing a horse, without a
rider; I only 40 feet from a shell bank if fine shells,
sufficient for the whole shelling of Galveston City; thence
West to the Reef, at Point B, thence along the Reef,
North N. to the point of Rocks marked C; Thence North to
the point marked D, on the Canal, where a post is set,
under. Thence to the main land to the point marked D.-
On the left you will observe the distances between Gal-
veston Island and the shoals or Reefs, the Length of
the Reefs, the Openings between the Reefs, and on the right,
will perceive the depths of water on the various
points.- From the point C it became necessary to diverge,
on account of the soft muddy bottom, to the North, for a
good foundation for our fine Shells;- West of the point C, the
water is deeper, and, in a direct course to the main land,
at high tides, it would be swimming.- At the Canal, at the
point marked D, but 4½ feet was found, and the banks
on both sides washed in, and sloping, with 3 to 4 in. of fine
shells, upon a shell foundation, which Could not be pene-
trated with a heavy iron bar.-
An unlimited quantity of fine shells can be had on both

points A and B. to fill up the spaces between the
ends, or make a good Road across the Bay, if it
might be thought ... From the Main land it is but
4 Miles to Highland Station: on the Hon. R. Road, upon
good Plain Road. — From the Point B to the City of
Boston, it is 14 Miles, also on fine road, or 15 in, by the
ferry. — If a Bridge should be determined upon, the
Engineer, if he have any regard to time of Construction and
economy, might to examine this route. — I now beg to
call your attention to the great tide of Fremont St, South of
Concord, Sumner St can speak without hesitation, in any
of its Speculations! & respectfully submit the matter
to your Consideration. —

Hull as pilot, went to the Beach, to reconnoitre
the movements of the Enemy performing Duty. — I found all right. — Mid-
night hours, and vigilant. — After day-light, discovered
some fragments of Wreck on the beach, portions of Cabins,
Decks of Houses or Lids of Vessels, Parts of Railings
which evidently struck by heavy shells or balls; some of
them still had holds in them. — At Pinnace about 30
feet by 8 ft. beam, Long Gun on, with two Large
Shells in her, from Leaden Spout to Col. Hall's for repair.
Can carry 30 or 40 men. — Can be repaired in 3 or 4

Private Madden has been on duty in my Office during the period that I have been Enrolling Officer of these Counties under Brig Gen Magruder, but by recent order he is required to report to his Company for duty, pursuant to which I beg to say that without some assistance the Operations of the Enrolling Office will become so complicated & confused as to be of little service to the County, private Madden by experience & energy & activity is very desirable that his services should be retained if compatible with the interest of the service, in fact this service can with Men to the Number a dozen mercenaries perhaps, but are respectfully soliciting a different Company but without the person acquainted they case of the service will be much impaired, please inform me of the result of this application at your earliest convenience

Very Respectfully &c

A. L. G.

Dear Sir,

At the request of Capt. G. W. Slaten, I take the liberty of addressing you, and would have sought a personal interview, but from the fact that you are about to march I could not have time.

Capt. Slaten was a Lieutenant in Co. A, 1st Regiment, and resigned to accept an appointment in some other regiment, which chiefly through his instrumentality was effected. At the time of disorganization he could take rank and proceeded to the position he otherwise would have done.

He is disabled from wound, but is anxious to render himself useful, is ready and willing, competent, brave, possesses good business habits and will fill any position in which he can render the greatest service, whether there is need for some camp duty to perform.

In calling your attention to him, I do what I feel is the duty of everyone to render such service or assistance as he can, according to the peculiar position and

recommendations on which he is placed.

Capt Lt. Hudson will be here in a few days and will call on you personally, when he hopes you will please hand in your [illegible] bonds, which he can be assigned to the [illegible] and county.

Yours respectfully

vs.
Private Wm. McMurry.

Question. State what you know in reference to the charges and Specifications against Private Wm. McMurry, which you have just heard read—

Ans. I was Officer of the day, and attended the roll-call. and on the list of the Picket guard being called out Deft's name was mentioned, & he refused to go. I then asked him if he meant not to go— he said that he did not. I sent him to the guard House. This all I know in regard to the matter. The character of Wm. McMurry is A No1— His plea for not going on Picket was that he had been on police guard the morning before. He would furnish substitute— but the time he the Deft came off of guard, the morning before, he had detailed third second men. Mr. Many was one of the regular police guard Tuesday August the 11th inst. He had reported that day fifty six men fit for duty.
I do not believe that it was a wilful disobedience of orders— I think the man Mr Many thought he was imposed upon.

The conduct of McMann heretofore has been that of a good Soldier. McMann has been the Left was not called upon at the time his hour came for duty - but refused at roll call, & I considered that a suppressed refusal -

vs.
Private W. McMurry.

C.D. Boggs 1st Sergt. Co. O. 8th Ga. sworn as witness for Prosecution.

Question. State what you know in reference to the charges & specification which you have just heard read.

Ans. On the morning of the 13th a little after day light we called the roll, & on account of large guards being detailed, it was necessary that some of the men should go on every other night, among them was Wm McMurry who was detailed, and he refused to go - He was detailed, and he refused I don't recollect. exact wording of his refusal I don't recollect. He was detailed I think for Camp guard. I am not positive as to that. If it was Camp guard, he would have been required to go on or about the guard was detailed to go on at 6 A.M. If Picket guard at 4½ O'clock A.M. Wm McMurry was ordered to go under arrest by Lieut Franklin. I do not know if the Sergt was called upon when his name was called. He was ordered under arrest at Roll-call. It sometimes happens that persons who have been detailed for duty have refused - but when it come to their time, & they were called, they went. Those persons who have so refused were not arrested, until the case of McMurry

I do not Keep a Roster — but I Keep a Guard Book, and morning Reports of the Company. I have been just Eight of the Company since its organization. So far as I am able to recollect the Deffts has heretofore performed his duty regularly, & shown no instance of disobedience. The number reported for duty on that day was fifty four, including three cooks, who are usually excused from duty by the Captain, and Fourteen and one Commissary.

G. D. Pruyn

Not Guilty— Whereupon the Court proceeded to introduce testimony for the Prosecution, which was reduced to writing & attended by the parties, and is herewith made a part of this record, numbered from Page 1 to 41 inclusively. The Defendant introduced no evidence. Case then rested. The Court then retired to consider of their verdict, & having maturely considered the evidence do find the Defendant Private Wm McMurray Of the Specification— Not Guilty— Of the Charge— Not Guilty.

I have the honor to report that Capt. Dupree who was ordered some time since on duty in Montgomery County with a portion of his Company be ordered back immediately. I learn that he is doing nothing, as he was ordered on duty to arrest deserters from the army, which order has been superceded by late orders from Head Quarters of the Department. A part of his Company is still on duty at this Post.

I also state that I have ordered the detachment from Capt. Waters Co. "A" Stationed at Velasco and Lieut. Kibbetts to report back immediately as I am informed that the enrolling Officer has allowed the men and Officers to return to their homes to remain until the first of October, this reference to the order sending Capt. Sir

I have to report to you that water at and near this station is failing so fast that unless it rains within the next ten days there will not be a sufficiency for the use of the Camp. The Corn Contractor has also failed to keep the camp supplied with Corn in consequence (as he says) that he has been unable to purchase corn, owing to the failure of the Corn Crop in the Western portion of the State. I have selected a Camp near Hempstead and one near Hockley at either of which the Regiment can be supplied with forage on much cheaper than at this place. Corn cannot be had at this Camp for less than One Dollar per Bush.l and it will be difficult to get a sufficient quantity at that, without we bring it by way of Houston.
The Corn Crop east of the Brazos River is fine and can be purchased in the Counties of Grimes and Montgomery much cheaper than in this section. Consequently I am satisfied that it would be for the interests of the Government to move the Regiment East of the Brazos River and I suggest that the Camp near Hempstead be selected for the present.
I am also correctly informed that the Squadrons at Hockley is nearly without water and will soon have to be supplied from Houston or Buffalow Bayou unless rain in

sufficient quantities fall down to start the Springs.
I therefore must Respectfully ask to be allowed
to select a camp ground Acompanied and Encamp the
the Entire Regiment during the healthy Season both
to Enable me to inforce discipline as well as perfect
them in their duties and drill

Capt. Armstrong has been absent from his Company on Genl. Dear Mrs. Harrington:

This is in reply to your recent communication, herewith returned.

The records show that John J. Myers, captain of a company designated at various times as Captain John J. Myers' Company, Caldwell County Rangers; Company B, DeBray's Mounted Battalion of Volunteers; Captain Lane's Company and Company B, DeBray's Regiment Texas Cavalry; and Company B, 26th Regiment Texas Cavalry, Confederate States Army, entered the service 28 August 1861 at Lockhart; was promoted to Major of the regiment 7 December 1861; to Lieutenant Colonel 15 April 1862 and to Colonel, date not shown. The Field and Staff muster roll for January and February 1864, last on file, shows him present. The Regimental Return for March 1865 shows him present for duty at Richmond and no later record of him has been found.

This collection of records is by no means complete and failure to find an entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

vs
Peter O'Bryan

1.

Eugene Sellers was duly sworn as a witness for the Prosecution —

Question. State all that you know with regard to the charge & Specification which you have just heard read against private Peter O'Bryan?

Ans. The Defendant O'Bryan was drunk. He was not on guard while drunk - but had been detailed to go on guard — He was too drunk to perform his duty. He was drunk in Galveston, Galveston County — I believe the day that he was drunk was the 15th Day of January 1862 —

Quest. Had he been on guard that day, & what time had he to go on?

Ans. He had not been on guard — he was to have gone on guard at Ten O'Clock, A.M. He had been notified the over night,

Ans- At least it was the rule to notify the guard cutter at Retreat or Tattoo - He did not refuse to go on guard - I was Sergeant of the guard, and did not put him on guard, owing to his intoxicated Condition.

Question - by the Court - Was he present at the time he was to go on guard?,

Ans. He was not present. I don't think he was present in the Quarters at the time.

Question - Had Defendant been at the guard room during the day, before his time to go on duty?

Ans. He had not to my Knowing.

Quest - Did you see him during the day?,

Ans. I saw him at Breakfast, and about

the time that he should have been on guard, or a little after.

Question by Defence. Did you see me bring my blankets and go to the guard house?

Ans. I did not see you bring your blankets but I saw you about Nine O'clock in the guard house playing Cards with a parcel of men.

Com. D. Delays. Regiment

Sir

My private affairs at home are such as to demand my immediate presence. The person that overlooked my business has been conscripted. and my farm Servants and Stock of all kinds are left without any one to look after them

And all attempts to employ some one to take charge of my business have proved to be in vain.

I have also made a loan to the Government of one half of my Cotton crop & no one to see to its delivery it being demanded at Houston now.

I therefore beg a leave of absence be granted me for thirty days that I may have time to go home and (in case I cannot find any one) sell hire out or dispose of my property the best I can.

With the highest respect I remain your humble Servant. J. R. Everett

Dear Sir

Private & Confl —

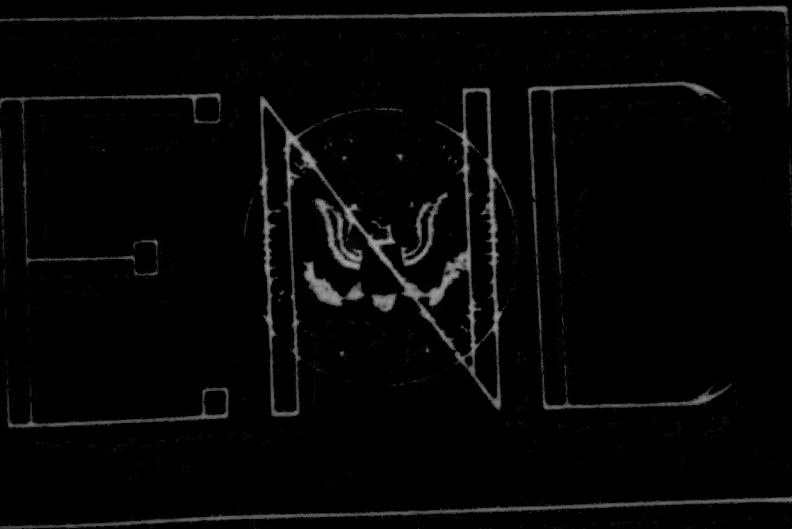

Smithcar with Capt Owens at Houston
& Owens with Capt Bailey at Pierce,
and Whitney in the employ of St.
Gabriel & Houston & A & T Lee, have been
ordered back to their Company two or three
different times by Maj Turner. They under-
stand with me they desire me they have
been detailed upon by the same authority
I have used for the like of the kind in the
past. I cannot have to explain them
Capt Whitney represents himself as a
Mechanic, which is not so. Neither of
the Party are Mechanics or Machinists of
any kind. Also private C. E. Hart of
the New Orleans N.R. formerly in the
employ of the French Marshal, has been
ordered back by the Maj Gen
Comdg and has probably obtained a new
detail & Orders to depart there (even
though he could obtain the Genuine) My Details
